
**Department of Health
Hong Kong SAR Government
Community Mental Wellness Unit**

15 March 2026

To: Secretary of Registration Board
The Hong Kong Psychological Society

Re: Supporting letter for Mr James P Morgan

I am writing in my capacity as Principal Clinical Psychologist of the Community Mental Wellness Unit, Department of Health, to verify the employment of Mr James P Morgan, who has been serving in our unit as **Mental Health Promotor** since **November 2024** on a full-time basis (44 hours per week).

I am a **Registered Clinical Psychologist** under the Hong Kong Psychological Society and I have directly supervised Mr Morgan's work in this post.

In this role, Mr Morgan's work is highly relevant to psychology. His duties include planning and delivering psychoeducational programmes for community participants, promoting mental health literacy, facilitating group-based mental health education, and supporting the psychological wellbeing of service users through structured first-line interventions.

In addition, Mr Morgan conducts **initial psychological screening** for community participants using brief standardised screening tools and structured intake procedures under service protocol. He also assists in supporting **Tier 1 clients** by providing psychoeducation, basic behavioural and self-management guidance, and referral coordination when indicated.

Based on my supervision of his work, I am satisfied that Mr Morgan applies postgraduate-level psychological knowledge in mental health promotion, psychological screening, psychoeducation, and community support work within our service. I therefore support his submission of this experience for consideration by the HKPS Registration Board.

Yours faithfully,

Emily K. Cheng

Dr Emily K. Cheng
